

ROHIT KUMAWAT

Jaipur, Rajasthan | +91 9256390208 | rohitmaroth3@gmail.com

SUMMARY

I am an active web developer who specializes in creating responsive and useful web applications. I find it enjoyable to translate concepts into code, and I'm always experimenting with new technologies, such as the MERN stack, to improve my skills. I'm a quick learner who likes to tackle technical problems. I'm searching for a chance to be a part of a professional development team.

TECHNICAL SKILLS

- **Web Development:** MERN Stack (MongoDB, Express.js, React, Node.js), Tailwind CSS
- **Programming Languages:** JavaScript (ES6+), Python (Basic), C & C++ (Basic)
- **Tools & Frameworks:** Git, GitHub, Responsive Web Design, REST APIs, AI tools

EDUCATION

Poornima College of Engineering, Jaipur | 2024 – Present

- **Bachelor of Technology (B.Tech)** – Computer Science Engineering

Mount Litera Zee School, Alwar

- **Senior Secondary School**
- **Secondary School**

TRAINING & CERTIFICATIONS

- **Full Stack Web Development Training Upflairs, Jaipur, Raj.**
- **Full Stack Web Developer Certification**
- **Earned completion certificates:** Python, C, and C++ languages.
- **State-Level Sports Player:** Kho-Kho, basketball

PROJECTS

SymptoScope - AI-Powered Symptom Analysis Platform

Built a full-stack medical web application using MongoDB, Express.js, React.js, and Node.js that enables users to input symptoms and receive AI-generated condition predictions with severity analysis. Integrated secure JWT-based authentication, personalized patient dashboards, real-time symptom trend graphs, and PDF report generation. Designed responsive UI with Tailwind CSS and implemented RESTful APIs for seamless frontend-backend communication.

SOFT SKILLS

- **Problem Solving**
- **Team Collaboration**
- **Fast Learner**
- **Time Management**
